Dear XXXNameXXX,

Our membership drive ends tomorrow, activate your membership with the Heritage Foundation today.

When you become a Heritage member, you push conservative policies like border security and immigration reform, making the tax cut permanent, and Obamacare repeal to the Trump administration and Congress.

In the last three years, America has become freer and more prosperous. Our economy is booming, and more people are working than at any point in our great nation's history.

But all of this is at risk in this critical year—please don't leave your progress to chance.

Use this link to activate your Heritage membership for 2020 today:

Thank you so much for your support. We can't restore America without you.

Best,

Maggy Smith

P.S. Joining Heritage means we can fight together for border security, strong education reforms, and greater election integrity. None of us can fight liberals by ourselves. Band together with us today:
